SONOMA COUNTY
WORKFORCE INVESTMENT BOARD
CODE OF CONDUCT AND CONFLICT OF INTEREST POLICY

PURPOSE
The Sonoma County Workforce Investment Board, hereinafter referred to as the WIB, is committed to maintaining the highest of standards of ethical conduct and to guard against problems arising from real, perceived, or potential conflict of interest.

BACKGROUND
Grantees, sub recipients and contractors funded under the Workforce Innovation and Opportunity Act (WIOA) must implement codes of conduct and conflict of interest policies and procedures as stipulated in WIOA law, regulations and guidance; Office of Management and Budget (OMB) Circulars; State regulations; and State WIOA policies. A conflict of interest policy is required to ensure that individuals or representatives of organizations entrusted with public funds will not personally or professionally benefit from the award, administration, or expenditure of such funds. The WIB recognizes that by its very composition, conflicts of interest and issues concerning the appearance of fairness may arise. Therefore, it is essential for WIB members to be sensitive and err on the side of caution when conflict of interest or the appearance of conflict of interest or fairness matters occurs. To accomplish these purposes, the WIB establishes the following definitions, actions, and guidelines for interpretation.

CODE OF CONDUCT
During the performance of duties, your actions are a reflection upon the WIB as well as a reflection upon yourself. It is extremely important that all WIB and committee members act in a courteous, friendly, helpful and prompt manner in dealing with the public, customers and officials.

Ethical Principles
- Compliance with the Law: It is the WIB’s policy to be knowledgeable about and comply with all applicable laws and regulations of the United States and the State of California in a manner that will reflect a high standard of ethics. Compliance does not comprise one’s entire ethical responsibility; rather it is a minimum, and an essential condition for adherence to mission and duties.
- Professional Standards: It is the WIB’s policy that its representatives are knowledgeable about emerging issues and professional standards in the field and conduct themselves with professional competence, fairness, efficiency and effectiveness.

Guidelines for Interpretation
Areas of concern are those actions or lack of actions which may lead to conflict of interest or the appearance of conflict of interest or to a perception of unfairness related to WIB business
outside of WIB and committee meetings. Specific areas which may pose problems include but are not limited to, comments made in public, information sharing, and disclosure of associations.

**Comments Made in Public:** WIB members and committee members are encouraged to act in a public relations capacity for the WIB. This includes public speaking engagements and comments in a public forum. Because there is interest in WIB actions, members should differentiate between descriptive comments, which relate to actions already taken by the WIB, and statements, which imply future WIB decision-making, or the ability to influence decision-making.

**Information Sharing:** WIB members and committee members are encouraged to share information with the community about WIB activities. To the extent possible, access to information regarding procurement of services should be available at the same time and under the same circumstances to all parties. Such information includes the request for proposals, notice of meetings, meeting minutes, and policies.

**Disclosure of Associations:** WIB and committee members have professional and personal associations throughout the community. Such associations have been, and will continue to be, of significant benefit to the WIB. Where a direct or indirect financial conflict of interest exists, a WIB member or committee member may not vote or serve on a rating team. When associations raise appearance of fairness as an issue, members should qualify statements in public by disclosing the association, and minutes of the meeting should reflect the disclosure.

**CONFLICT OF INTEREST POLICY**

1. A WIB member or committee member cannot cast a vote or participate in any decision-making that regards the provision of services by the member (or by an entity that such member represents), or on any matter that would provide direct financial benefit to the member, their immediate family, or to the member’s organization.

2. A WIB member or committee member shall not engage in any other activity determined by the Governor to constitute a conflict of interest as specified in the State plan.

3. Before any public discussions regarding the release of a Request for Proposal, or any matter regarding the release of funding or the provision of services, WIB members and committee members must disclose any real, implied, apparent, or potential conflicts of interest in writing to the Chair or WIB Director. In addition, any such member shall recuse him or herself from participation and leave the meeting room until action on the matter has concluded. The minutes of the meeting should reflect the recusal.

4. WIB members cannot solicit or accept gratuities, favors, or anything of monetary value from awardees, potential awardees, or other parties to agreements. However, the WIB allows for situations where the gift is an unsolicited item of nominal value worth $50.00 or less.
5. Disciplinary actions may be taken up to and including termination of WIB membership for violation of this policy. The Chair or WIB Director shall evaluate any violations of these provisions on a case-by-case basis and recommend to the Executive Board, if and what penalties, sanctions or other disciplinary action are appropriate.

DEFINITIONS
Conflict of Interest - Conflict between the official responsibilities and the private interests of a person or entity that is in a position of trust. A conflict of interest would arise when an individual or organization has a financial or other interest in or participates in the selection or award of funding for an organization. Financial or other interest can be established either through ownership or employment.

Immediate Family - Immediate Family consists of the individual’s parents (including step-parents), spouse, domestic partner, children (including step-children), siblings, grandchildren, grandparents, and any relative by marriage (an “in-law”).

Organization - A for-profit or not-for-profit entity that employs, or has a pending job offer to, an individual defined above. An entity can be a partnership, association, trust, estate, joint stock company, insurance company, or corporation, whether domestic or foreign, or a sole proprietor.
